6.2. Where you grant Alamy the right to issue Royalty Free Licences in respect of the Content, Alamy may vary the licence it grants from a Royalty Free Licence to a Rights Managed Licence or Royalty Free editorial licence. If you notify Alamy that you do not agree to such variation, then Alamy may at its sole discretion either continue to grant Royalty Free Licences in respect of the Content or delete that item of Content from the System.

6.3. You may grant Alamy the right to issue Novel Use Licences in respect of the Content by notification to Alamy via the System or by email.

6.4. Alamy has full authority to negotiate all terms of commissions, licences and reproduction rights of the Content including the fee, duration and scope of any Licence at its absolute discretion. This clause will remain in full force and effect even after termination of this Contract or deletion of the Content. As an example, Alamy is not entitled to grant licences for a book called 'Countries of the world' if the previous use was a book called 'The world Encyclopaedia' with different content or to grant licences for a magazine or advert if the previous use was for a book.

6.6. Alamy will have the right to add, amend or delete any Metadata if, in Alamy's opinion, this would be likely to increase the sales potential for that Content or if it believes the Metadata to be incorrect.

6.7. You authorise Alamy to add the Content to the System.

6.8. If you agree to [Content Options](#), you grant Alamy the right to carry out certain pre-formatting changes to the Content prior to release for licensing.

You will only remain responsible for providing and maintaining accurate Metadata in the original language provided.

7. Alamy's obligations

7.1. Alamy agrees to use its reasonable commercial endeavours to grant Licences in accordance with your instructions. Alamy will not be liable if it (or a Distributor) sells or otherwise makes available an item of Content outside the instructions specified by you.

7.2. Alamy agrees to use its reasonable commercial endeavours to obtain reasonable Licence Fees.

7.3. Where you act on behalf of the Copyright Owner, this Contract is with you only.

8. Pricing and promotion

8.1. Alamy is entitled to set and agree prices in relation to the Content in its absolute discretion.

8.2. If you are an Agency Contributor, you may set your own prices for your Royalty Free Licences (but not for Rights Managed Licences or Novel Use Licences). Agency Contributors can supply pricing via spreadsheet or via any other means agreed with Alamy. Alamy may discount these prices in accordance with this Contract at its sole discretion.

8.3. Alamy has the right to apply promotions to the Content in order to promote the Alamy service without your consent or approval, including, but not limited to for the purpose of acquiring new Customers or to stimulate buying from existing Customers by offering discounted or complimentary Content.

9. Novel Use Licences (participation in novel use is optional)

9.1. If you grant Alamy the right to grant Novel Use Licences, you give Alamy permission to: (i) sell your Content at any price, by any method and for any use we feel appropriate; and (ii) make the Content available to third parties without consulting you, including but not limited to trials with potential Customers, prototypes/proof of concept and high volume low unit price licences. Where Alamy does not make a charge to these third parties, you will not receive payment.

9.2. Without prejudice to your general rights of termination under this Contract, you may terminate Alamy's right to grant Novel Use Licences at any time during the month of April in each year through the novel use page on the System.

10. Credits, copyright notices and promotion

10.1. Customers will be instructed to credit your Content with Pseudonym/Alamy or the Agency Contributor name/Alamy, as applicable (each, a "Photo Credit").

10.2. Alamy cannot guarantee a Customer's use of a Photo Credit in any instance. Alamy will not be liable if a Photo Credit is not used (whether in whole or part) or where a Photo Credit is used, Alamy cannot guarantee that it will be accurate.

10.3. You grant Alamy the right to use your name, trade name, trademark, logos or service marks (the "Marks") to advertise and promote the Content, the System and/or the Alamy brand. Alamy acknowledges and agrees that such Marks are and will remain your sole property and, except as expressly stated in this clause 10.3, and nothing in this Contract will confer to Alamy any rights in or to the Marks.

10.4. You may use Alamy's Marks in any lawful promotion or publicity related to the Content without Alamy's prior written consent. You acknowledge and agree that such Marks are and will remain Alamy's sole property and, except as expressly stated in this clause 10.4, and nothing in this Contract will confer to you any rights in or to the Marks. You may not use any Alamy Mark or the Alamy name in a way that is or may be deemed to be obscene, indecent, pornographic, defamatory, inappropriate or otherwise unlawful, including use in unsolicited electronic communications or in any way that may bring Alamy's Marks or name into disrepute. Alamy will be entitled to revoke this permission and/or terminate this Contract if it becomes aware of any use of its name or Marks which it deems inappropriate.

11. Distribution (participating in distribution is optional)

11.1. If you agree for your Content to be licensed to Customers via a Distributor, your Content will be available for sale by Distributors in the territories specified by you in accordance with clause 11.3 (the "Distribution Scheme"). You may confirm your participation in the Distribution Scheme via the System or by e-mail to Alamy.

11.2. Content which is any way restricted may be excluded from the Distribution Scheme at Alamy's sole discretion.

11.3. You will specify the territories in which you wish your Content to be made available via Distributors. Once these territories have been selected, you may deselect any or all of the territories at any time during the month of April in each year through the distribution page of the System.

11.4. You agree that in respect of all sales made via Distributors, the Alamy Commission after deducting the Distributor's commission or fee will reflect that of the applicable commission model as specified in the Alamy Commission Table.

11.5. If you agree for your Content to be made available via the Distribution Scheme, you agree for your Content to be used free of charge in Promotional/Marketing Material by any Distributor based in your selected territory to promote the sales of the Content and/or to enhance awareness of the Alamy name/brand or that of the individual Contributor or Distributor.

12. Paying You & Commission

12.1. Alamy will report to you any Licence Fees earned in respect of your Content in US dollars net of any applicable: (i) Sales Tax; (ii) [Alamy Commission](#); (iii) third party commission; and (iv) any refunds or other deductions.

12.2. As soon as a Licence is purchased by a Customer, we will report to your Account the relevant details of such Licence. Alamy may round fractions of a cent up or down at its own discretion. Licence Fees paid by Customers in currencies other than US Dollars will be reported to your Account in US Dollars. The exchange rate used will be reviewed and adjusted by Alamy in line with exchange rate fluctuations.

12.3. Alamy will pay you the Cleared Funds within 30 days of the first day of the month, if, at the start of the first day of that month, the Cleared Funds less any account debit balances in your Account exceed US \$50 (or such other amount as decided by Alamy from time to time). Alamy will pay you in your chosen currency and in accordance with the payment details supplied by you. If you are UK VAT registered, Alamy will add UK VAT at the currently prevailing rate. No payment will be made and the balance of your Account will be carried forward to the following month, if: (i) the balance of your Account is equal to or less than US \$50 (or such other amount as decided by Alamy from time to time); or (ii) you have not supplied payment details, any supplied payment details are incorrect, or you have chosen a payment method that Alamy no longer supports.

12.4. Where your chosen currency is not US Dollars, all amounts due to you will be converted from US Dollars to your chosen currency at the exchange rate provided by Alamy or Alamy's [Payment Provider](#) on the date that the payment is made or the preceding working day in England. If the exchange rate is provided by Alamy, it will be within 2.5% of the spot rate on that day.

12.5. Alamy may recover, by debiting your Account or otherwise:

12.5.1. any amounts incorrectly or inadvertently credited to your Account;

12.5.2. any amounts due from you to Alamy in the event you purchase any content from Alamy or a Distributor;

12.5.3. all other amounts due to Alamy from you including, but not limited to, costs and handling charges incurred by Alamy but properly payable by you and/or where Alamy is entitled to be indemnified by you pursuant to clause 5, any amount representing the likely total amount of any such claims, damages, liabilities, losses, costs or expenses.

12.6. Alamy may put your Account on hold in the event of any third party claim in relation to the Content or where Alamy reasonably suspects fraudulent activity in relation to the Account

12.7. If any payment made to you by Alamy is not withdrawn from your Account within a period of two (2) years from the date on which such payment was made, you agree to forfeit that amount.

12.8. In the event that you fail to supply payment details, any supplied payment details are incorrect, or you have chosen a payment method that Alamy no longer supports: (i) if your cleared balance is over the payment threshold specified in clause 12.3, you agree to forfeit any such cleared balance that is over two (2) years old; or (ii) if your cleared balance is under the payment threshold specified in clause 12.3, you agree to forfeit any such cleared balance that is over five (5) years old.

12.9. Alamy at its sole discretion may offer reporting of License Fees in currencies other than US Dollars.

12.10. From the 1 July 2021, Alamy will monitor the total License Fees in respect of your Content in each [Revenue Year](#).

12.11. If you register for an Account after the 1 July in any one Revenue Year: (i) you will automatically be subject to Alamy Gold; and (ii) Alamy will not monitor your License Fees and clause 12.12 will not apply until the following Revenue Year.

12.12. At the end of each Revenue Year if your total License Fees for that year, net of any refunds:

12.12.1. are less than \$250 then the Alamy Commission for sales of your Content in the following Revenue Year will automatically switch to Alamy Silver as outlined in the Alamy Commission Table; or

12.12.2. are greater than or equal to \$250 then the Alamy Commission for sales of your Content in the following Revenue Year will remain on Alamy Gold for that year, as outlined in the Alamy Commission Table.

12.13. If you are subject to Alamy Silver and your total License Fees, net of any refunds, exceeds \$250 at any point during the Revenue Year then the Alamy Commission will automatically revert to Alamy Gold for future sales during the Revenue Year. Should any subsequent refund take your License Fees below the \$250 threshold as set out in clause 12.12, the Alamy Commission will revert to Alamy Silver.

12.14. If you are not an Agency Contributor and your total License Fees for Content sales via the Alamy Websites in any one Revenue Year (starting 1 July 2020), net of any refunds, are greater than or equal to \$25,000 then the Alamy Commission for the following Revenue Year for Content that is Exclusive to Alamy will automatically switch to Alamy Platinum as outlined in the Alamy Commission Table.

12.15. The Alamy Commission for Content sales made via an Affiliate will reflect that of the applicable commission model as specified in the Alamy Commission Table and will include a 15% Affiliate and affiliate provider fee in respect of the License Fee.

13. Self billing for UK Value Added Tax (VAT) registered Contributors

13.1. You must inform Alamy if you are registered for VAT. You must notify Alamy if at any time your VAT position changes including any change in your VAT registered status, a change of your VAT number, if you deregister for VAT or if you sell all or part of your business.

13.2. Where you are UK VAT registered, you agree that Alamy will self bill you. Alamy will issue self-billed invoices to you for all taxable supplies made to Alamy by you (taxable supplies are defined by HMRC as all goods and services which are VAT rated). The self-billed invoices will include your name, address and VAT number, together with all other details that constitute a full VAT invoice.

13.3. Alamy, whose VAT number is 718 2941 23, will agree new terms for self billing with you if Alamy's VAT number changes and Alamy will inform you if the self-billed invoices are outsourced to a third party.

13.4. If it is subsequently found that you were not VAT registered or have failed to provide accurate and current information relating to your VAT status, then you will immediately on demand by Alamy repay to Alamy any VAT paid incorrectly (together with any associated interest and penalties incurred by Alamy). Alamy may recover by debiting your Account any money due to Alamy in respect of tax and any associated interest or penalties.

14. Audit rights of Contributor on Alamy

14.1. In the unlikely event of a material dispute between you and Alamy regarding amounts due to you, Alamy will, at a convenient time and upon receiving 30 days' prior written notice from you, allow your representative (which will be either a qualified lawyer or accountant) to inspect Alamy's records which relate only to your Account. The costs of the inspection will be paid by you except if it reveals an underpayment to you of more than US \$1000 in any one twelve (12) month period, in which event Alamy will correct the records relating to your Content, make any payments due as identified by such audit and reimburse the actual costs of your audit. Alamy reserves the right to instruct its own representative to review and confirm such inspection prior to making any such corrections, payments or reimbursements.

15. Advertising and promotion

15.1. You acknowledge and agree that the Content may be used without charge and without your consent or approval in [Promotional/Marketing Material](#) or in any other manner, at the sole discretion of Alamy, anywhere in the world to promote sale of Content and/or to enhance awareness of the Alamy name/brand or that of the individual Contributor, provided always that:

15.1.1. if an item of Content has been used in Promotional/Marketing Material prior the termination of this Contract and/or deletion that item of Content from the Alamy Websites, that item of Content will be permitted to remain in that specific Promotional/Marketing Material;

15.1.2. Content that has been deleted from the Alamy Websites will not be used in any new Promotional/Marketing Material; and

15.1.3. Promotional/Marketing Material also includes articles and interviews featuring Alamy and/or its Content, social media and search engine listing and promotion including but not limited to 'Google Images'.

15.2. Where Content is used to promote the Alamy name/brand, Alamy will make reasonable efforts to provide a Photo Credit to you where commercially reasonable, but you acknowledge and agree that Alamy cannot guarantee to provide a Photo Credit and will not be held liable if one is not made or is made in a different format from that requested by you.

15.3. You agree that Alamy may, when using the Content in Promotion/Marketing Material, alter the Content by cropping, manipulating, combining and creating derivative content, providing such alteration is not indecent, obscene, pornographic, defamatory or otherwise unlawful.

16. Breaches of licences and defaults by Customers and third party infringements

16.1. You acknowledge and agree that Alamy will not conduct any verification or check of the character, standing or financial position of any Customer.

16.2. You acknowledge and agree that where Alamy incurs legal and/or other costs or expenses relating to an outstanding amount owed by a Customer in relation to the Content, Alamy will recoup these costs from any full or partial payment of the amounts recovered from the Customer before dividing the remaining amount between you and Alamy in line with the commission schedule in force at the time the debt was invoiced. Alamy will not be obliged to pursue payment of debts owed by Customers if, in Alamy's opinion, the prospects of recovery do not outweigh the likely collection costs.

16.3. If a Customer is declared bankrupt or goes into liquidation owing Alamy any money, we will write off the debt. If we subsequently receive any money from the official trustee or liquidator, we will donate any such amount to charity if the amount recovered means it is not cost effective to pay out the funds we receive, otherwise any amount received will be divided between you and Alamy in line with the commission schedule in force at the time the debt was invoiced.

16.4. In the event of any actual or alleged breach of any Licence or any infringement of intellectual property right or any other rights in any Content by a Customer or by any third party, Alamy may take action against the Customer or such other third party at its sole discretion.
